Description :

Prsentation de l'diteurWho doesnt like the aroma coming out an oven of freshly baked cake, bread or a muffin?But why people hesitate to bake? Why all the time they try and are disappointed? Whatever the reasons are, one must know baking from the core. Baking is an art as well science of cooking. It includes

vast techniques and knowledge. Baking is entirely different from cooking. Somehow, baking has formulas to follow and it becomes tricky for those who never did baking. For some people baking could be more than an art. Baking becomes passion and a hobby once one knows all the tricks. People, who are in love with baking, tend to create master pieces and the most tempting recipes. There is a variety of cookbooks in the market which include fancy recipes, astounding photos and beautiful frostings. But there are many people who are just trying to explore the art of baking. They require a book that is simple and recipes in it are taught from scratch including the basic techniques and steps to follow.
