Description :

Prsentation de l'diteurWhen Harriet Vane finds a dead body on the beach, she and Lord Peter Wimsey must solve a murder when all the evidence has washed out to sea. Harriet Vane has gone on vacation to forget her recent murder trial and, more importantly, to forget the man who cleared her namethe dapper, handsome, and maddening Lord Peter Wimsey. She is alone on a beach when she spies a man lying on a rock, surf lapping at his ankles. She tries to wake him, but he doesnt budge. His throat has been cut, and his blood has drained out onto the sand. As the tide inches forward, Harriet makes what observations she can and photographs the scene. Finally, she goes for the police, but by the time they return the body has gone. Only one person can help her discover how the poor man died at the beach: Lord Peter, the amateur sleuth who won her freedom and her heart in one fell swoop. Have His Carcase is the 8th book in the Lord Peter

Wimsey Mysteries, but you may enjoy the series by reading the books in any order. This ebook features an illustrated biography of Dorothy L. Sayers including rare images from the Marion E. Wade Center at Wheaton College.
