## Description :

Prsentation de l'diteurEvery time we knit, we have the opportunity to create positive change in ourselves, our community, and in the world. Thats Betsy Greers fervent belief, and in this book she shows us how. Betsy explores the ways we can use knitting to slow down in a fast-paced culture, while using the craft to benefit charities in our communities, to advocate for worthwhile causes, and to support individuals and communities across the globe. Filled with insights from knitters and crafters on how they use craft to benefit others, Knitting for Good! will get you thinking about knitting in a whole new way.
