Description :

Prsentation de l'diteur***Author Note: This is not a love story. This is a story of love gone wrong.***Growing up the way I did, youd think Id be more screwed up than what I actually am.Soon as I turned sixteen, I left that bump in the road I called home and took my chances on the street.Best decision I ever made.Now, at the age of twenty six, Im educated, employed and damn good at my job.My friends have become my family. Like me, they know what its like to grow up unloved.But the saying is true.The world makes way for those who know where they are going.Thats me.I know where Im going and Ill get there eventually. On my own terms and at my own pace.But then theres him.I feel his eyes on me. I see him

hiding in plain sight. He watches me. He makes me feel. Its unconventional. But its real. Im sure youre wondering how a person falls in love with their stalker. So am I. This isnt a story. This is my life. ***This book includes situations that some may find uncomfortable. Prsentation de l'diteur*** Author Note: This is not a love story.
