In 2000 I was selected by North West Playwrights of England for further development but found I preferred writing fiction (novels and short stories). My fiction is not easy on the heart. It will frighten you and shock you. You might never be the same after reading it. But you know what? Maybe that's good. Perhaps I am doing my job. I'm not just dishing out novels to make up series, I'm giving you a piece of my soul. I'm telling you, if you care to read my work, the dark side is evil! It always was. Satan is wicked, his demons are his servants. No reward can await those who forfeit heaven for a taste of hell.
