Description :

Prsentation de l'diteurThe battle of Verdun lasted ten months. It was a battle in which at least 700,000 men fell, along a front of fifteen miles. Its aim was less to defeat the enemy than bleed him to death and a battleground whose once fertile terrain is even now a haunted wilderness. Alistair Horne's classic work, continuously in print for over fifty years, is a profoundly moving, sympathetic study of the battle and the men who fought there. It shows that Verdun is a key to understanding the First World War to the minds of those who waged it, the traditions that bound them and the world that gave them the opportunity.Prsentation de l'diteurThe battle of Verdun lasted ten months.
