**Description :** Description du produitWhen the Devil needs a rogue demon killed, who does he call? The Player: Necromance-for-hire Dante Valentine is choosy about her jobs. Hot tempered and with nerves of steel, she can raise the dead like nobody's business. But one rainy Monday morning, everything goes straight to hell. The Score: The Devil hires Dante to eliminate a rogue demon: Vardimal Santino. In return, he will let her live. It's an offer she can't refuse. The Catch: How do you kill something that can't die?

Prsentation de l'diteurDante Valentine's working relationship with the Devil wasn't her choice - but you don't turn down a contract with Lucifer and live.Hired to kill fugitive Vardimal Santino, Dante's only allies are a demon familiar she doesn't trust and a small band of psychics. The thing is, Dante doesn't need friends, she needs a miracle. Because the first time Dante Valentine met Santino, she almost died.From Publishers WeeklyTough-as-nails necromancer Dante Valentine has a problem: the devil wants her to catch a rogue demon and, for the duration of the task, she must be accompanied by a demon assassin named Japhrimel. If she refuses, she dies; if she accepts, she'll likely die in the process. Dante decides to take her chances with the latter, but her hunt doesn't get into full swing until the book's final third. Instead, she pauses to take a ride on a "slicboard" (a skateboard that glides on air), to wrestle cryptic information from an assortment of nonhuman and magical people and to argue with everyone from Japhrimel to her fellow necromancer friend, Gabe. Though Dante is as prickly as a wet cat and frustratingly adamant about maintaining her loner status, she's a brave, charismatic protagonist with a smart mouth and a suicidal streak. What's not to love? Fans of Laurel K. Hamilton should warm to Saintcrow's dark, evocative debut, though the story's weak relationship thread may disappoint aficionados of the paranormal romance veterans Christine Feehan and Sherrilyn Kenyon.
